CUTTING-EDGE COMBAT SIMS FROM THE DIGITAL COMBAT SERIES:

PANZER COMMANDER — *Available Now!*

The most comprehensive World War II tank simulator *ever* lets you test your skill with over 24 driveable tank types from 4 countries, including: German Tiger I, II and Panther series; Russian T-34/85 and IS-II series; US M26 Pershing and M4 Sherman series; British Matilda and Cromwell series — and many more! Features include a variety of in-tank and external views. An incredible physics model for unsurpassed realism. Additional game objects such as support vehicles, pillboxes and enemy aircraft. Powerful Scenario Editor. Superior 3D graphics. Multiplayer support for up to 6 players. And, best of all, tremendous depth of play with virtually limitless replay!

LUFTWAFFE COMMANDER — *January, 1999!*

Return to a time when the deadly Me-109 ruled the sky. Features 10 flyable aircraft, including the mighty Me-109 and the world's first operational jet fighter, the Me-262. Terrorize Allied forces as you fly missions in 5 combat areas with over 500,000 square miles of terrain. Features 50 unique single player missions. Custom Combat option allows for unlimited air combat scenarios. Choose from 2 flight modes — IRON CROSS challenges less experienced pilots while KNIGHT'S CROSS provides a WWII air combat simulation of uncompromising accuracy. And both flight modes are available in Multiplayer mode — for up to 10 players!

FLANKER 2.0 — *Spring, 1999!*

Taking full advantage of DirectX™ and DirectPlay™ technology, FLANKER™ 2.0 offers stunning graphics and streamlined playability — all without compromising the technical excellence of its famous predecessor! Previously classified Russian satellite imagery is used to generate a detailed, 3-D world with fully texture-mapped terrain. All 3D objects feature photo-realistic textured graphics. A dynamic campaign editor provides you with a feeling of total immersion. New users will be delighted by the intuitive menu system, and ALL players can hone their pilot skills in a fully interactive training section — complete with an in-cockpit instructor!
